

# ***Skydive Campaign Website***

## **Overview for new users**

### **Thank you for registering for the YSPI Skydive Experience 2014.**

Your Personal Campaign Page is now ready for use. Your personal login details are enclosed in the accompanying email.

Should you wish, you can change your password to something more personal by visiting the Edit Account page after you have logged in for the first time.

### **Why should I use my Personal campaign Page?**

The advantage of these Personal Campaign pages is that all funds sponsored or donated come directly to us and we don't have to pay a percentage to anyone for processing the payments. Using our Personal campaign Pages means that 100% of the funds you raise will come to YSPI.

With a Personal Campaign Page you can collect sponsorship online by sharing the link to your Campaign Page on Facebook, Twitter, email etc. All sponsorship donations are made through PayPal and are secure.

You can also notify us that you are sending funds to us by bank transfer or cheque and the funds total will be added to your raised amount.

### **What should I do if I have a problem?**

If you have a problem logging into the system please email [skydive@yspi.eu](mailto:skydive@yspi.eu) and we will reset your password.

If you need further help or have a query about any aspect of the Campaign pages please either email [skydive@yspi.eu](mailto:skydive@yspi.eu) or during office hours you can call our fundraising team on 021 242 7173.

We hope that you have every success with your fundraising.
